

## “It Takes Two” Partial Songlist

*“partial” because we actually have a library of over 10,000 songs which we can access (obviously too much to list here) and, in many cases, we can learn new songs especially for an occasion on request. If new songs are requested we may ask that you cover the cost of digital sheet music (about \$5 per song). If many songs are requested we may need to limit the list or, in instances where lots of extra preparation time is required, we may request additional compensation.*
